

TOMORROW'S VOICES

BERMUDA AUTISM EARLY INTERVENTION CENTRE

Our landmark facility in Bermuda specializing in providing ABA/Verbal Behavior Therapy for children with Autism Spectrum Disorders and Developmental Disabilities, is looking for staff to join our already established team of professionals. Tomorrow's Voices serves children from 2 to 21 years of age and provides services and strategies for clients as they transition from infancy through to adulthood. The core therapy used at Tomorrow's Voices is Applied Behavior Analysis with an emphasis on B. F. Skinner's Analysis of Verbal Behavior. Following is the post for which we are accepting applications.

VERBAL BEHAVIOR THERAPISTS (Full Time)

Working under the direction of the Sr. VB Therapists and Sr. Staff, the Verbal Behavior Therapist will be responsible for carrying out daily hands-on one-on-one treatment to children with Autism and other Developmental Disabilities. The successful candidate must have previous hands-on experience working with children using ABA with a heavy emphasis on B. F. Skinner's Analysis of Verbal Behavior. The post holder must have previous experience using the ABLLS-R and VB-MAPP curriculum tools. Verbal Behavior Therapist must be able to design and implement behavioral strategies with the children and their families within the Centre, home, community and school environments.

JOB REQUIREMENTS

- Bachelor's degree in applied behavior analysis, psychology, behavioral psychology, special education or equivalent
- Knowledge of the research and literature on the causes, correlates, and treatments of disorders under the Autism Spectrum is required
- At least 2 years previous experience using the ABLLS-R and VB-MAPP curriculum tools
- At least 2 years of prior hands-on experience working with children with Autism Spectrum Disorders and Developmental Disabilities
- Thorough knowledge of ABA and at least 2 year of prior hands-on experience using ABA with an emphasis on B. F. Skinner's Analysis of Verbal Behavior
- Must have exceptional play skills, be highly motivated, energetic, enthusiastic and compassionate while interacting with children with special needs on a daily basis. Must have a passion for working in the special education field.
- Must have excellent supervisory, communication and interpersonal skills
- Must be energetic and patient

Qualified suitable candidates should forward their resume and at least two recent written references to the address below.
